When you choose BEST Life, you can rest easy.

Your smiles are safe with us.™

EXCLUSIONS ON PEDIATRIC DENTAL PLAN

The following exclusions are not covered.

1. Treatment by someone other than a doctor of medical dentistry or a doctor of dental surgery, except where performed by a licensed hygienist under the direction of a doctor of medical dentistry or a doctor of dental surgery, or a dentist.
2. Expenses incurred while on active duty with any military, naval, or air force of any country or international organization.
3. Expenses incurred as a result of participating in a riot or insurrection or the commission of a felony.
4. Services and supplies covered under any Workers' Compensation Act or similar law or incurred due to treatment rendered by the employer.
5. Services and supplies started and not completed before coverage, including but not limited to an appliance, or modification of one, where an impression was made before coverage; a crown, bridge or other lab fabricated restorations for which the tooth was prepared before coverage; root canal therapy if the pulp chamber was opened before coverage.
6. Services not completed on or before the date of termination.
7. Expenses incurred from failure to comply with a professionally prescribed treatment.
8. Expenses incurred for telephone consultations.
9. Charges for failure to keep a scheduled appointment.
10. Services and supplies which are given primarily for cosmetic reasons including alteration or extraction of functional natural teeth for the purpose of changing appearance and replacement of restorations previously performed for cosmetic reasons.
11. Orthodontic treatment and orthodontia type procedures unless such procedures are defined as a covered expense.
12. Service provided for temporomandibular joint dysfunction (TMJ).
13. Charges in excess of any cost-sharing amounts shown on the schedule of benefits.
14. Any services or supplies for correction or alteration of occlusion, or any occlusal adjustments or incurred for night guards or any other appliances for the correction of harmful habits, except as defined as a covered expense.
15. "Safe fees" (gloves, masks, surgical scrubs and sterilization).
16. Charges for copies of records, charts, x-rays and any other costs associated with the forwarding or mailing of these copies, or for completing dental forms.
17. State or territorial taxes associated with dental services performed.
18. If care is transferred from one dentist to another dentist during the course of treatment, or if more than one dentist renders services for one dental procedure, payment will only be for the amount that would have been charged had one dentist rendered the services.
19. Treatments which are experimental or investigational.
20. Any service or procedure not within the scope of practice by a licensed dentist, including but not limited to, those that are not medically necessary or would not meet generally accepted standards of dental practice.
21. Services for which the member would not legally have to pay if there were no insurance, unless mandated by the state.
22. Services or supplies for specialized procedures and techniques, including precision attachments, personalization, and precious metal bases.
23. Duplicate or provisional services or supplies.
24. Plaque control programs, oral hygiene instruction, and dietary instructions.
25. Gold foil restorations.
26. Hospital costs, including charges for treatment at the hospital.
27. Adjustment of a denture or bridgework made within six (6) months after installation, by the same provider who installed it.
28. Home health aides, including but not limited to toothpaste, fluoride gels, dental floss and teeth whiteners.
29. Sealants for teeth other than permanent molars.
30. Replacement of lost, stolen or misplaced dentures.
31. Repair or replacement of damaged lost or missing appliances.
32. Fabrication of athletic mouth guard.
33. Internal bleaching, nitrous oxide, oral sedation, and topical medicament centers are not eligible expenses.
34. Bone grafts in connection with extractions, apicoectomies or non-covered or non-eligible implants.
35. Treatment rendered by a family member. For the purpose of this limitation, "family member" includes, but is not limited to, lawful spouse, domestic partner, child, child of domestic partner, parent, step-parent, grandparent, brother, sister, cousin of the first degree or in-law.
36. Expenses that are applied toward satisfaction of a deductible, if any.
37. Temporary services are considered an integral part of the final services rather than a separate service and are therefore not eligible for benefits.
38. Veneers and related procedures.
39. Services and supplies not listed as a covered service.
40. Services and supplies performed outside of the US.

EXCLUSIONS ON SUPPLEMENTAL DENTAL PLAN

The following exclusions are not covered.

1. Treatment by someone other than a doctor of medical dentistry or a doctor of dental surgery, except where performed by a licensed hygienist under the direction of a doctor of medical dentistry or a doctor of dental surgery, or a dentist.
2. Expenses incurred while on active duty with any military, naval, or air force of any country or international organization.
3. Expenses incurred as a result of participating in a riot or insurrection or the commission of a felony.
4. Services and supplies covered under any Workers' Compensation Act or similar law or incurred due to treatment rendered by the employer.
5. Services and supplies begun and not completed prior to coverage, including but not limited to an appliance, or modification of one, where an impression was made before coverage; a crown, bridge or other lab fabricated restorations for which the tooth was prepared before coverage; root canal therapy if the pulp chamber was opened before coverage.
6. Services and supplies which are given primarily for cosmetic reasons including alteration or extraction of functional natural teeth for the purpose of changing appearance and replacement of restorations previously performed for cosmetic reasons.
7. Pulp capping with final restoration. Final restoration is defined as the installation of inlays, onlays or crowns and fillings or other lab fabricated restorations.
8. Tests, examinations, diagnostic casts and oral cancer screenings other than those listed as a covered service.
9. Sedative fillings, prescribed drugs, pre medication or analgesia.
10. The initial installation of a prosthetic device (a fixed bridge, implant, or denture, crowns, inlays and abutments) to replace teeth missing before coverage, except when the installation also replaces a tooth extracted while covered under this plan and commences after continuous coverage for at least three (3) years immediately prior to the date such installation begins.
11. Veneers and related procedures.
12. Replacement of a lost or stolen or discarded prosthetic device.
13. Adjustment, repairs or relines of prostheses for a period of one (1) year from initial placement if the prostheses were paid for under this plan.
14. Core buildup will only be considered in conjunction with a crown.
15. If multiple endodontic treatments are necessary on the same tooth within a period of one (1) year, the allowance will be made for only one (1) procedure.
16. X-rays are considered an integral part of the endodontic procedure rather than a separate service and are therefore not eligible for benefits.
17. The extraction of immature erupting third molars and non-pathologic, asymptomatic third molar extractions.
18. Gross debridement allowed one time at the beginning of the periodontal treatment plan prior to pocket depth charting.
19. Temporary services are considered an integral part of the final services rather than a separate service and are therefore not eligible for benefits.
20. Orthodontic treatment and orthodontia type procedures unless such procedures are a covered expense.
21. Surgical procedures incidental to orthodontic treatment, including but not limited to, extraction of teeth solely for orthodontic reasons, exposure of impacted teeth, correction of micrognathia or macrognathia, or repair of cleft palate.
22. Service provided for temporomandibular joint dysfunction (TMJ).
23. Congenital or developmental malformations.
24. "Safe fees" (gloves, masks, surgical scrubs and sterilization).
25. Any services or supplies for correction or alteration of occlusion, or any occlusal adjustments or incurred for night guards or any other appliances for the correction of harmful habits.
26. Chemotherapeutic agents and any other experimental procedures.
27. Charges in excess of any cost-sharing amount shown on the schedule of benefit.
28. Expenses that are applied toward satisfaction of a deductible, if any.
29. Treatment rendered by a family member. For the purpose of this limitation, "family member" includes, but is not limited to, lawful spouse, domestic partner, child, child of domestic partner, parent, step-parent, grandparent, brother, sister, cousin or in-law.
30. Services for which the patient would not legally have to pay if there were no insurance.
31. Services not completed on or before the date of termination.
32. If care is transferred from one dentist to another dentist during the course of treatment, or if more than one dentist renders services for one dental procedure, payment will only be for the amount that would have been charged had one dentist rendered the services.
33. Any service or procedure not within the scope of practice by a licensed dentist. Such procedures are identified within the current Common Dental Terminology (CDT Codes) published by the American Dental Association (AMA).
34. Services and supplies performed outside of the US.
35. Services covered on a pediatric only dental plan.
